Vidyabharti Trust College of Master in Computer Application, Umrakh

Seminar on "DEMYSTIFYING ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING"

Vidyabharti Trust College of MCA has organized a seminar on "Demystifying artificial intelligence and machine learning" on dated 25th April 2023. MCA First year students took the benefits of workshop which was delivered by expert Prof. Karan Patel at college premises.

About expert Speakers:

Prof. Karan Patel, Assistance Professor, GES-2, Computer Engineering Department, at Vishwakarma Gov. Engg. College, Ahmedabad. His field of expertise is Artificial intelligence and machine learning. He has been involved in Data Science domain from last 7 + year.

Objective:

The main objective of this workshop was to make students aware of the artificial intelligence potential to bring change in the economy of the country and other domains And the industry needs of artificial intelligence and machine learning along with practical knowledge.

About Workshop:

In this workshop student have learnt what is artificial intelligence and machine learning. Briefly discuss what are the common Applications are of Machine Learning, which include Image Recognition, Speech Recognition, Predict Traffic Patterns, E-commerce Product Recommendations, Self-Driving Cars, Catching Email Spam, Catching Malware, and Virtual Personal Assistant.

Outcome of Workshop:

Prof. Karan Bhatt has delivered such a vigorous presentation on Artificial intelligence and machine learning (AI and ML). The seminar was quite interactive followed by hands-on training. Students found this seminar very helpful in their career growth and they got cleared information about "ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING". Students found the seminar very knowledge gaining for their future.

❖ **Poster for the Event:**

❖ **GLIMPSE OF THE DAY:**

- At the end workshop was ended with question-answer session. Workshop was concluded by Prof. Toral Desai with vote of thanks to our expert.
