INDUSTRIAL VISIT AT ISRO, AHMEDABAD

Vidyabharti Trust College of Master in computer Application-MBA & MCA had arranged the industrial visit for first year MBA & MCA Students. 107 students, 04 faculties of MBA & MCA with The Director sir had **visited ISRO Ahmedabad** on the **date 04/05/2023**. The Department of Space in Ahmedabad is one of the main centres of ISRO and is responsible for developing and operating the communication and meteorological satellites of India. Industrial visit helps the student to grab the practical knowledge of the theory they learn in their curriculum. Even students also got opportunity to see first-hand the facilities, technology, and infrastructure used by ISRO for its various space programs. It would have also provided them with valuable insights into the functioning of a premier organization in the field of space technology.
