Report on *MoU Signing* Between EduNet Foundation, New Delhi, and Vidyabharti Trust College of Master in Computer Application, Umrakh

On September 26, 2024, an important Memorandum of Understanding (MoU) was signed between **EduNet Foundation, New Delhi**, and **Vidyabharti Trust College of Master in Computer Application (VBTMCA), Umrakh.** The ceremony took place at the VBTMCA College Campus, symbolizing a significant collaboration aimed at fostering skill development and promoting technological education for students.

Key Highlights of the MoU:

As part of this collaboration, EduNet Foundation, under its Corporate Social Responsibility (CSR) initiative, will provide a free training course titled “TechSaksham” to students of First Year MCA (Semester 1) and First Year Integrated MSc-IT (Semester 1) at VBTMCA.

TechSaksham is a specialized program designed to enhance students' skills in emerging technologies and equip them with industry-relevant expertise. The course is supported by global technology leaders Microsoft and SAP, ensuring that students receive high-quality training aligned with current market needs and industry standards.

Objectives of the MoU:

1. Free Skill Development Training: Through this MoU, EduNet Foundation will offer the TechSaksham training program to eligible students at no cost.

2. Industry-Relevant Curriculum: The training will focus on providing practical and theoretical knowledge, ensuring that students are prepared to meet the demands of the modern tech industry.

3. Support from Leading Tech Companies: Backed by Microsoft and SAP, this initiative will provide students with access to tools, resources, and mentorship from industry experts.

Benefits for Students:

Hands-on Training: Students will gain hands-on experience with the latest technologies used in the industry, including cloud computing, artificial intelligence, data analytics, and more.

Enhanced Employability: By acquiring industry-recognized skills and certifications from Microsoft and SAP, students will have a competitive edge in the job market.

Long-term Career Growth: The knowledge gained from the TechSaksham program will lay a strong foundation for students' future careers, opening doors to diverse opportunities in the tech industry.

Conclusion:

The signing of this MoU marks the beginning of a fruitful partnership between EduNet Foundation and VBTMCA. Through this initiative, both institutions aim to empower students with the necessary skills to excel in the ever-evolving world of technology. This collaboration is a testament to EduNet Foundation’s commitment to advancing education and supporting the growth of future tech professionals.

The event concluded with positive remarks from representatives of both organizations, expressing their enthusiasm for the successful implementation of the TechSaksham program and the long-term benefits it will bring to the students.
