Vidyabharti Trust College of Master in Computer Application, Umrakh

Teacher's Day Celebration

Vidyabharti Trust College of MCA has celebrated a Teacher's day on 5th September 2023 through offline mode, the student attended the program in college premises, which includes variety of activity like teaching activity done by students, Card making competition and elocution competition on this day more than 30 students were took participated.

The main objective of this celebration was Teacher's Day is one and perhaps the most vital. It makes us realize that teachers have played a very vital role in showing us the true way of living. Teacher's Day tells us that our parents and teachers are the most vital in our life. Even there are some times when a teacher plays a more vital role than our parents in terms of shaping student future.

As we all know that Teacher's Day is the birth anniversary of Dr. Sarvapalli Radhakrishnan, it is a great day to remember the greatest teacher of India ever. On this occasion of Teacher's day we began with maa Saraswati prayer afterwards on that day teaching was done by student, On that day teaching was started as usual on 09:30 AM to 12:00 PM, the few students were in the role of teachers, after that had a couple of activities that include Card Making Competition and Elocution Competition. Lastly we have declared the winner for each activity. On Teacher's Day, the respect received by a teacher from students inspires us to do much better in our profession.

- **Winner list of Card Making Competition:**
